Objective

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

Values

South Geelong Primary School's values are Kindness, Respect and Integrity.

At South Geelong Primary School, we live our values of Kindness, Respect and Integrity through our words and actions.

Our value of kindness means we help others succeed. We have a firm belief in students valuing others regardless of race, age, religion, gender or disability. We show kindness using positive relationships with others to get along with everyone else.

Our value of respect is shown when we show care for self, others and the environment. We have a firm belief in students valuing people's worth, qualities and differences. We treat everyone in the school community in a polite and friendly manner and listen carefully to other people's ideas.

Our value of integrity means we can be relied on to do our best. Students show integrity for learning through persistence and effort and experience personal growth through the development of knowledge, skills and experiences. We have courage and confidence to work hard to excel and can be relied on to do what is right for our school community.

We are committed to achieve our vision statement by being a child centred school with an emphasis on striving for excellence, as our children are our society's future. We also know that to be an effective school, and to educate children for the future, we need to have high expectations of all our school community members including students, staff and parents.
